SUCCESSFUL CAREER OPPORTUNITIES REALLY EXIST

INTERESTED IN A \$100,000 CAREER?

Learn more about possible careers in finance and accounting. As money is the key to what happens in business, careers in the field offer variety and play a key role in most organizations. No pocket protectors here!

We'll also share steps you can take now to prepare yourself for a high-powered career. Learn more about college admissions, why social media matters and how to build your student resume.

Parent attendees will attend workshops on college funding and retirement planning.
